

Dear Parents of the student body of The Convent of Jesus and Mary Language College, did you know that the school has a Parent Teacher Association (PTA)? If the answer is no, we do and we would like to take this opportunity to invite each of you to attend our meetings.

Much research has gone into the impact an effective PTA can have on the school in which it operates; this research clearly illustrates that when the parents and school administration embrace the PTA there is a positive effect on the children's education and can even improve the schools overall performance.

In order to have an effective PTA we need one thing overall, parental involvement. The PTA has two upcoming meetings scheduled. The first is October 13, 2010. The second is November 24, 2010. Both meetings take place at 6:30 pm.

We would like to have maximum participation in this effort, and we look forward to seeing you there! For further information about the PTA, please go to one of the following web sites.
