Medical room: Students are not to go directly to the medical room and will not be let out of class unless visibly very unwell.

Literacy Foci: To be able to use the green pen to peer and self-assess extended pieces of writing using the green penning menu and/or VCOP mat focussing on assessment foci.

Advance warning: MFL oral exams will be taking place during the week beginning 6th February. This will involve girls from Y9-11. They will be out of lessons for a maximum of 10 minutes.

World Book Day: As part of our lead up to the World Book Day on 1st March 2012, the library is running a Readathon. We are launching the event from this week. Students can participate while reading their favourite books and help raise money to help the seriously ill and disabled children. They can come to the library at break or lunch or after school to find out more. Thank you.
